16th Vendor Conference

Indonesia Health Systems Strengthening Project

Invitation issued by : The Ministry of Health Republic of Indonesia as the Implementing Agency

Name of Proposed Project : Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components

Country : Indonesia

1. The Ministry of Health (MoH) is the Implementing Agency for the Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components totaling at around US\$4 billion.
2. The SIHREN, SOPHI, and InPULS components aim to fill critical medical and laboratory equipment gaps, including accessories and consumables, in all public health and laboratory facilities across Indonesia's over 6,500 inhabited islands, including over 560 public referral hospitals, public health laboratories and 10,000 *Puskesmas and Pustu* (public community health centers at sub district and village level) and ensure adequate and sustainable operation and maintenance of this equipment upon installation.
3. Following the series of Vendor Conference either held in Indonesia or International and Focus Group Discussion, MoH invites potential bidders to engage in the 16th Vendor Conference that will serve to provide information about **InPULS Medical Devices**.

These Vendor Conferences will be held on **Tuesday, October 7, 2025 start from 01:30 p.m.** Western Indonesia Time (GMT +7).

4. Interested vendor are invited to attend via video link, with a maximum of up to two participants per interested vendor, on a first-come, first-serve basis until online room capacity has been reached. Representatives of interested firms can register for participation via the following registration link <https://s.kemkes.go.id/16thVendorConference>.
5. The address referred to above is:
